CLEANLINESS RITUAL

SWACHH BHARAT ABHIYAN

ACTIVITY REPORT

EK Kadam Swachhata Ki Aur

Best Practices | Swacha Bharat Abhiyan – Cleanliness drive.

INTRODUCTION..

Cleanliness leads to healthy and joyful life because it prevents us from various diseases. The good habit that a person can have including wearing clean clothes, washing hands regularly, bathing etc as a part of cleanliness..

Cleanliness gives a fresh and good look to our surrounding. Maintaining a clean collage environment sets a good example to students and our concerning staff and field work. Satisfying it encourages learners to take pride in collage and field work settings, which makes them likely to drop litter and such they will potentially make a bigger effort to maintain their environment.

Clean campus promotes hygiene, it improves hygienic level in campus and also helps to reduce the spread of sickness. Maintaining a clean collage environment sets a good example to students in all concerning settings.

According to studies, that have been carried out directly, environment negatively impacts the learning of a student and in turn, the overall performance in the classroom..

Title of the Practice: Swachh Bharat Abhiyan – Cleanliness drive .

Goal

Cleanliness in college campus is one worth mentioning good practice in our college. The main aim of this practice is to keep the college campus clean. Because, Ghulam Nabi Aazad College family believes in sound learning in a clean campus and surrounding, including

rural and urban where we had concern through placement and field work.

Further, through this cleanliness practice, efforts are made to create awareness among the students to live with nature. They are taught to treat environment as their friend.

The last aim of this practice is to aware the student community regarding the conservation aspects of nature.

Objectives of the Practice:

Swachh Bharat Abhiyan is one of the most significant cleanliness campaign by Government of India. The college gave special focus to this Swachata Abhiyan and conducted various activities throughout the year.

The objectives of this practice are

1. To spread awareness among people about the importance of cleanliness.
2. To teach students the importance of hygiene and cleanliness not only in their homes but also their surroundings.
3. To spread awareness among rural ,tribe and urban people through field work practicum and extension work.
4. To teach basic hygiene to school kids and reduce the inflow of diseases.
5. To make students participate in various cleanliness drives.

The Context:

In the recent time, the nature is being destroyed rapidly due to excessive use. Therefore, it is immensely important to preserve the nature in all possible ways. When a student learns about the conservation of nature, he/she can also help his family and neighbourhood by making them aware about the importance of nature.

Therefore, G N Azad collage of social work ,College family has made humble attempt to aware the student about the importance of nature through its CLEAN practice. Even though the conservation of nature is challenging in modern times it can be possible only by educating the students and involving them practically in the field.

Public places see a lot of carelessness about cleanliness. It is observed that after most of the 'Sarvajanic' festivals,NIRMALY SANKALAN the public places like Rivedr, road, colony, etc flooded with wastes and garbages. The college, through its various activities conducted by different departments tries to ensure cleanliness and also spread the message of importance of hygiene and cleanliness in the vicinity. The college also joined hands with BMC, NGO's and different agencies and participated in many cleanliness drives to achieve the objective of this practice.

The Practice

It is this idea of clean which we want to inculcate in students and rural ,tribe and urban community peoples of our areas so that they take responsibility in themselves to make their surroundings clean.

Holding awareness camp on conservation of nature from time to time.

Cleanliness in campus and in rural, tribal and urban setting in association with different groups and NGOs. We also seek advice and help from different organizations and government undertakings.

It is this idea of cleanliness which we want to inculcate in students and rural, tribal and urban community peoples of our areas so that they take responsibility in themselves to make their surroundings clean.

The college has always insisted on instilling values amongst its students and also in making them aware of their social and moral responsibilities. The college aims to make their students a responsible citizen of the nation by exposing them to various social service camps and drives. With a view to develop a sense of social responsibility the college has established various associations and activities. Under these associations the college joins hands with different NGOs, agencies and BMC officials to conduct activities and cleanliness drives.

A duly constituted NSS committee of teachers of the college with the help of students conduct different activities and cleanliness drives throughout the year. Drawing inspiration from the institution's Mission, inculcating values amongst the students have always been given attention and priority.

They are also motivated to create awareness while they are doing their field work practicum at different settings.

Apart from engaging students in various activities and drives conducted by the college, they are also encouraged to get actively involved in similar activities outside the college, at their residential zones, etc. They are also motivated to create awareness among their family, friends and immediate surroundings.

Evidence of Success:

1. campus, cleanliness

*Enough number of dustbins are placed in the college campus. Their is provision of DRY WEST AND WET WEST dustbin is placed in our campus..

*our collage banned plastic in campus .

2. pusad city

1. cleanliness awareness programme

2. role play on SANT GADAGE BABA birth anniversary.

3. Rally

4. Pus river revitalization

5. Nirmalya Kalash.

3. Field work practicum

1. campus cleanliness (2) AWARENESS PROGRAMME (3) ROLE PLAY

(4) RALLY (5) ICT MATERIAL (6) GROUP DISCUSSION

Problems encountered and resources required:

- 1. As institution is located in city rural area the cleanliness required daily practice in institution it should keep clean campus is easy task**
- 2. Awareness programmes were conducted more but people not get fully aware.**
- 3. Funding is the major problem.**

Future plan

In future, cleanliness work will be carried out in pusad city, taluka by linking up with voluntary group and with municipality.

विदर्भीमाल्यार

बहुजनांचा बुलंद आवाज

काळी दौ.येथे तालुका विधी सेवा समितीकडून वृक्ष लागवड अभियान

काळी दौ. (प्रतिनिधी): तालुका विधी सेवा समिती मात प्रा. डॉ. भालचंद्र देशमुख यांच्या मार्गदर्शनात नेहमीच सामाजिक परिवर्तन घडवण्यासाठी तसेच सामाजिक बांधलकी जोपासण्यासाठी अनेक विविध उपक्रम राबवले जातात. कोव्हीड - १९ च्या काळात लाखो पैसा उधळू नही ऑक्सीजन मिळाले नाही, तेव्हा साहजीकच कळून पुकले की, वृक्षलागवडी व संवर्धन यासारखा दूरारा पर्याय मानवा जवळ नाही. शास्त्रानुसार वनविभाग मार्फत वृक्षारोपन कर्ताना पाहावयास मिळते. पण फक्त वनविभागच नाहीतर आजच्या युवा पिढीने सुद्धा समोर येऊन असे उपक्रम

होता द्यायला पाहिजे. पण सगळीच पीढी याकडे दुर्लक्ष करताना दिसते. आणि पर्यावरणाचा त्रास होताना दिसते. पर्यावरणासंबंधी जनजागृती होवून प्रत्येकाने किमान एक वृक्ष तरी लागावे आणि त्याचे समाजकार्य असाच एक उपक्रम तालुका विधी सेवा समिती य गुलाम नबी आझाद समाजकार्य

महाविद्यालय, पुसाद यांनी संयुक्तपणे राबवला. त्या अंतर्गत तालुका विधी सेवा समितीच्या प्रत्येक स्वयंसेवकाने एक किमान एक झाड लावून त्याचे संगोपन करायचे आहे. सदर उपक्रम पुसाद, महागाव व उमरखेड तालुक्यातील अनेक गावांमध्ये राबवण्यात आला. या उपक्रमांमध्ये प्रा. डॉ. भालचंद्र देशमुख सर, स्वयंसेवक श्रेष्ठ आवेज करनी श्रेष्ठ वहाय, कु.किती पऊळ, मोहम्मद सज्जाद, ऋषीकेश टंगमणे, गणेश विकणे, जयश्री घट्टाण इत्यादींनी सहभाग घेतला व वृक्षारोपन करून पर्यावरण संवर्धनाला हातभार लावला.
